Nederman 860 with Tanstas On-Gun Extraction Kit

250A **\$5,950** INC GST PN: FPS250S

400A **\$6,250** INC GST PN: FPS400S

- Lightweight & ergonomic Tanstas fume gun with 360° swivel
- Portable & easy to carry extraction unit
- Automatically maintains the set extraction flow (fully adjustable)
- Automatic start/stop
- 'No-Touch' welding fume disposal
- Warnings when the filter is 85% & 100% full
- High efficiency Nanofiber filter (99.7%)
- Single phase system

GUIDE®

Guide 3572 Premium Welding Gloves
'The Red Back' Cut F Med to 2XL

PN:G3572 **\$42.50** INC GST

The GUIDE 3572 combines soft goat skin leather on the palm, normally reserved for the dexterity demands of TIG welding, with precisely placed cow split leather reinforcements and the padding to deliver extreme heat protection. GUIDE 3572 combines the highest possible cut protection with unrivalled comfort, dexterity, and fit.

Guide 3571 Premium Welding
Gloves Cut C Med to 2XL

PN:G3571 **\$34.50** INC GST

The GUIDE 3571 are welding gloves with a difference—made from the BEST quality full-grain goatskin leather, turned inside out. The reversed goatskin leather provides a hardwearing and durable exterior with a super comfortable interior that delivers a softer feel, greater dexterity, and enhanced flexibility.

Guide 3569 Premium Welding Gloves L to 2XL

PN:G3569 **\$13** INC GST

GUIDE 3569 cow split leather welding gloves are suitable for MIG and MMA welding and other high heat applications. The glove has reinforcement in the palm and a super comfortable cotton lining. The legendary GUIDE resting fit molds to the shape of your hand and the Kevlar heat-resistant seams mean these gloves will stand up to the toughest jobs.

Bomaksan BENCH Fume Extraction System

PN: BBENCH **POA**

The Bomaksan BENCH combines the benefits of a mobile LEV fume extraction system with a downdraft bench and can be used across all medium-to-high welding fume environments.

Technology for the Welder's World.

BINZEL FEC FUME EXTRACTOR PACKAGE

PN:601.KFEC

\$5,395 INC GST

- Supplied with 4m xFume Pro36 torch (other models and lengths optional)
- Automatic start / stop function
- Integrated manual filter cleaning for longer life

FUME FLEX

PN:601.0091.1 **\$4,375** INC GST

The X fume flex comes with a flexible 4 metre arm and is suited for any manual welding work station and for all welding cutting including a hood light.

X FUMED ADVANCED PACKAGE

PN:601.K2ADV36 **\$9,315** INC GST

The X Fume Advanced is particularly powerful thanks to its high vacuum technology, automatic filter cleaning.

- Supplied with 2 x 5m extraction hoses. Longer lengths optional.
- Supplied with 2 x 4m xFume Pro36 torch (other models and lengths optional)

FUME EXTRACTION UNIT FES-200

PN:601.KFES36 **\$5,450** INC GST

- Automatic start/stop function included
- Integrated manual filter cleaning for longer filter life
- Compact: L: 630mm W: 210mm H: 590mm, 23.5kg
- 240V 10A power connection
- Suitable for use with Binzel xFume Pro 24, 36 and 501 torches as well as suction funnels
- Recommended for light to medium applications

CIGWELD

AN ESAB BRAND

BLUE VENOM SV135

PN: W1500135

\$270 INC GST

Package includes:

- BlueVenom SV135 Power Source
- 200A Work Clamp with 1.5m Lead
- Twistlock Electrode Holder with 1.5m Lead
- Carry Case & Strap

BLUE VENOM XF190

PN: W1400190

\$850 INC GST

Synergic 3-in-1 welding inverter with MIG plate thickness selection! The BlueVenom XF190 is the perfect solution for light fabrication, maintenance and repairs without compromising on quality, safety and performance!

BLUE VENOM XF200P3

PN: W1400200

\$1,520 INC GST

The BlueVenom XF200P3 is the machine for the welder who needs to fabricate & weld light structures that require TIG-like welds on Aluminium, Stainless, Bronze or Steel projects but need the welding speed & ease-of-use of the MIG process.

BLUE VENOM XF353 PACKAGE

PN: 8204142

\$5,000 INC GST

Includes:

- BlueVenom XF353 Plant
- Cigweld 4R-Rover Wire Feeder
- BlueVenom PulseMate Kit

Plus BONUS Arcmaster XC40 Welding Helmet & Weldskill Welding Gloves.

Big Red Gloves

PN: 300FLWKT

\$17.95 | XS - 3XL INC GST

The Big Red® welding glove sets the benchmark for professional welding gloves. The Big Red® is designed for extra durability & comfort. Our leather is carefully selected to be soft, & our liners are cotton for additional comfort & additional flame resistance.

Black & Gold Gloves

PN: BGFLW16

\$9.00 INC GST

The Black and Gold welding glove is a good economical, entry level welding glove manufactured from quality cow split leather.

Kevar Blue Gloves

PN: 300RKB

INC GST **\$17.95** | S-XL

The Kev Blue™ welding glove sets the standard for protection for boiler making & heavy duty welding.

TigMate Pro Gloves

PN: TIGPRO

\$21.95 | M-2XL

INC GST

The TigMate® Pro is a premium welding glove designed to offer extra sensitivity & touch & to be extremely comfortable.

The Lefties Welding Gloves

PN: 4062LHO

\$15 INC GST

PN: 4062LHOXT

\$33 INC GST

The Lefties® (2 left-handed welding gloves) were the first of their kind & were created to satisfy welding situations when the left handed gloves wear out faster than the right.

The Lefties® XT (2 left-handed welding gloves) has all the features of the Lefties, extended to a total length of 680mm for serious lower & upper arm protection.

Big Red Welding Cushion

PN: WC4040BRL **\$68** INC GST

The Welding Cushion is designed to provide comfort & protection and prevent fatigue while performing extensive welding. Designed for kneeling & laying down.

Big Red Welders

Jacket

PN: BRWJ

\$110 | S-6XL

INC GST

The Big Red® Welders Jacket has been designed for heavy duty welding. The zip & hook + loop closure allows for quick & easy donning & doffing. All seams are sewn with heat resistant aramid thread for extra durability.

Blue Max A1 Leather Welders

Apron

PN: A1

\$33 INC GST

The Blue Max® Leather Apron is made from grain leather, which is extremely durable, flame resistant, & offers excellent protection from welding spatters & dross. Adjustable leather waist and neck straps with quick release buckles.

Big Red Welders Jacket with Reflective Trim

PN: BRWJT1

\$140 INC GST

The Big Red® Welders Jacket with Silver FR Reflective Trim has been designed for heavy duty welding where additional night-time visibility is required. The zip & hook + loop closure allows for quick & easy donning & doffing. All seams are sewn with heat resistant aramid thread for extra durability.

Heatshield Welding Blanket

PN: HSB63

\$55 INC GST

HeatShield® is manufactured from E Glass fibre which is a non-combustible, flexible, inorganic material that has been specifically designed to provide retention of heat. Heatshield® has a 100% duty cycle providing a wide scope while fulfilling most applications

Big Red Leather Welding Sleeves with Yoke

PN: BRSWY

\$85 INC GST

The Big Red® leather welder's sleeves with front & back yoke, press stud closure & hook + loop cuff tabs. Designed to give you protection for your arms & shoulders & is ideal for lighter welding or for very hot conditions.

Big Red Welders Seatless Trousers

PN: BRWTSL

\$144 | S-3XL

INC GST

The Big Red® Welders Seatless Trousers are designed for heavy duty welding. Designed to be comfortably worn over your work trousers, for when heavy duty leg protection is required. All seams are sewn with heat resistant aramid thread for extra durability.

Big Red Cable Covers

8000 x 200 | PN: CCBR80200

4000 x 200 | PN: CCBR40200

\$78 INC GST

\$78 INC GST

Protect & extend the life of your welding torch cables from damaging spatter & dross with Elliotts' Big Red® leather cable covers. Each cable cover closes with 25mm hook + loop & can be easily joined together with a cable tie.

GRAPHEX INFINITY GLOVE

PN:GFPR450 \$18 INC GST

PROFAX AIR ARC GOUGING TORCH 4000

\$495 INC GST

EASYCLEAN TIG BRUSH

PN: EKT101 **\$1,750** INC GST

Easyklean tig brush, Cleans passivates & polishes stainless steel & stainless welds with no abrasives or buffing compounds required.

KEMPPPI

Kempfi Minarc EVO 140 VRD

PN: P0680

\$1,450 INC GST

Kempfi Minarc 180 VRD

PN: P0682

\$1,675 INC GST

Outstanding welding performance is no overstatement. Every element of Minarc Evo 140 & 180 are designed to meet the needs of professional welders on the move. Where size, weight & welding quality are concerned, there is no equal.

Kempfi X5 Master MIG

PN: P0501HD

\$9,990 INC GST

Kempfi X5 FastMig 500 AMP Regular Gas cooled 10m remote MIG/MAG package Experience next-generation industrial welding with X5 FastMig for steel, stainless steel, & aluminum welding applications. X5 FastMig is a modular multi-process welder primarily focusing on high-performance MIG/MAG

Kempfi Master M 205 Pulse Compact Package

PN: P519GX3AU

\$5,990 INC GST

Weld big, fast, & easy setting new standards for the industrial mig with weld assist a compact & portable machine ready for any big jobs anywhere onsite with 200 amps @40% duty cycle.

Kempfi Minarc EVO 220

PN: P0685

\$2,390 INC GST

MinarcMig Package Evo 220 offers Automatic & Manual mode set-up for precise welding quality & arc ignition, monitored & controlled by Kempfi's adaptive arc regulation system.

Kempfi Master TIG 335

PN: P0224

POA

Master tig sets new standards for weld quality, usability, & power efficiency in ACDC tig welding.

LINCOLN[®] ELECTRIC

DUEL MAVERICK 450

PN: K4393-1 **POA**

Dual Operator Capable diesel engine-driven welder/generator capable of 450A Single Operator or 225A Dual 100% Duty DC multi-purpose welding.

FRONTIER 580X

PN: K5293-1 **POA**

Get ready to power up your welding game with the New - Frontier[®] 580X! This unstoppable engine-driven welder/generator is here to ignite your productivity & deliver unparalleled performance on the jobsite. Brace yourself for a 580A burst of energy & innovation like never before! Take control via the bright & durable 7" digital user interface screen, which puts advanced features at your fingertips. Say goodbye to guesswork & hello to enhanced control & precision.

Vantage 500

PN: K3615-1 **POA**

Excellent, all-round welder/generator capable of up to 500 amps of DC multi-process welding. 240 VAC single phase, & 415 VAC three phase 50Hz auxiliary power. Powered by a 43 hp engine & features patented Chopper Technology.

VANTAGE 400 (AU) PERKINS

PN: K32038-1 **POA**

Excellent all-round welder/generator capable of up to 400 amps of DC multi-process welding. 240 VAC single phase, & 415 VAC three phase auxiliary power. Powered by a 43 hp Perkins 404D-22 diesel engine & features patented Chopper Technology.

LN25X BONUS GUN

PN: K4267-4P **POA**

LN-25X CrossLink with bonus powercraft no.4 gun

OUTBACK 185

PN: K2706-3 **\$8,350** INC GST

Great for anyone who needs portable DC stick welding & AC generator power! The Low-Lift[™] grab bars on both ends make lifting the Outback[®] 185 on & off truck beds easy. The compact Outback[®] 185 is easy to start with all engine controls on the front of the machine, & it's easy to use for welding.

RANGER 250GTX

PN: K2923-1 **\$11,890** INC GST

XGet all of the XTras needed for construction & maintenance work. That's XTra welding performance with 250 amps for AC or DC stick & DC wire welding & XTra power with up to 7,200 watts continuous for lights, grinders or high amperage equipment. You also get XTra protection & quiet operation with the Lincoln enclosed case.

LINCOLN[®] ELECTRIC

ASPECT 200 **\$5,750** INC GST

PN: K14189-2 (MACHINE ONLY)

The Aspect[®] 200 AC/DC TIG welder has advanced TIG AC & DC Functions making it ideal for critical AC or DC TIG welding applications. It offers a simple control panel with bright digital display & an innovative control system, from the torch.

FLEXTEC 500X **\$10,950** INC GST

PN:K3607-2 (MACHINE ONLY)

500A Multi-process power source with CrossLink Technology

VIKING 3250D FGS FLIP FRONT PAPR WELDING HELMET KIT

QCT

QUALITY CUTTING TOOLS

ROTABROACH CHOP SAW

The Element 14 Chop Saw makes light work of cutting steel plate, square tube, angle iron, pipe, tube and sheet metal. Quicker, more accurate & safer than conventional abrasive cutting saws, it produces a cut that is virtually spark free with no burr. Its swivel vice also enables 45 degree cutting.

- Steel, Aluminum, Stainless & Multi Purpose blades available.

PRICES FROM \$899 INC GST

ROTABROACH MAGNETIC BASE DRILLS

- Range of Machines up to 100mm Drilling Capacity
- Variable Speed
- Forward/Reverse on most models
- Low profile machines for tight spots

PRICES FROM \$1,195 INC GST

KARNASCH CARBIDE BURRS

- Largest range of burrs available
- 12 different styles of cut to suit any application-Industry Leading Coating technologies for greater tool life.
- Less tool change over resulting in lower labour costs
- 14 shapes
- Diameters from 1mm up to 25mm
- Long shank burrs

PUNCH AND DIE TOOLING

Tooling to suit nearly every machine.

- Rounds
- Slots
- Squares
- Offsets
- Specials

KARNASCH BEVELLING

- Electric & Pneumatic tools available
- Ideal for Deburring, Paint preparation, Smooth Finish, Cable feed
- Bevel heads available in 30°, 37.5°, 45°
- Radius cutters available R2, R3, R4, R6, R8
- Reduction in air pollution and sparking around the working environment caused by fine dust particles
- Reduced downtime when changing consumables compared to tools with inserts
- Reduced vibration & noise levels compared to grinding or tools with inserts.

PRICES FROM \$1,799 INC GST

KARNASCH CUTTERS

- Variety of cutters for Mild Steel, Stainless Steel & Hardox applications
- 12-150mm diameters
- 30, 55, 80, 110 & 150mm depth of cuts in varying diameters
- Specially formulated steels for greater tool life-Advanced coating technologies for superior wear

shindaiwa®

ENGINE DRIVE 300

PN: DGW300MS [POA](#)

Rated at 260amps@3000rpm/ 50 hertz with a selectable 115V or 42V Wire feed capability with pre dial current & voltage control this super quiet kubota engine driven welder you demand a rugged, reliable machine that keeps performing

ENGINE DRIVE 600

PN: DGW600 [POA](#)

Shindaiwas duel 50hertz 600amp with single & duel operated engine with an output 570 amps & duel rated at 300amps

ENGINE DRIVE 500

PN: DGW500DM [POA](#)

Shindaiwa's Ultra Quiet technology featuring the compact DGW series works silently in restricted spaces kubota diesel engine with VRD fitted as standard rated at 480amps single mode & 230amps duel

ENGINE DRIVE 201

PN: DGW201 [POA](#)

Shindaiwa's Ultra Quiet technology featuring the compact DGW series works silently in restricted spaces, or noise sensitive environments with a rated output 190amps at 60hertz powered by the kubota diesel engine with VRD fitted as standard.

ENGINE DRIVE 420

PN: DGW420DM [POA](#)

Shindaiwas duel 420 with single & duel operated engine with an output of 200/200amp duel with a full output of 390amps on the single.

SUITCASE WIREFEEDER

PN: SWF500 [POA](#)

With a strong feeding 4 gear drive roll system provide industry leading performance built to be rugged with a high output this suitcase wire feeder delivers an out of 500amp @ 60% duty cycle with a IP23 RATED PROTECTION.

FRONIUS TPSI 320I MIG WELDER

PN: 4.075.234 **FROM \$11,995** INC GST

With the new compact versions, all the advantages of the TPS/irange are packed into an even more compact design. With their compact dimensions & built-in wirefeeder, they provide a space-saving, portable and yet extremely powerful alternative, for construction sites & workshops in particular.

FRONIUS TRANS STEEL 3000 PULSE MIG WELDER

PN: 4.075.227 **FROM \$9,300** INC GST

The trans Steel 3000 pulse multi process machine on a professional level weather a construction site or workshop both pulse and standard sernergic line included versatile for all your welding challenges

KEMPER SMARTMASTER

PN: KP-64.330 **\$4,770** INC GST

The smartmaster basic mobile welding fume extraction unit is designed for occasional use fitted with a replaceble E12 three stage filter.

PULLMIG IN-LINE MHP280I MIG GUN

PN: 4.051.042

POA

This push pull gun features synchronized drive roller enablering precise wire feed in all weld processes. 7.85m lead

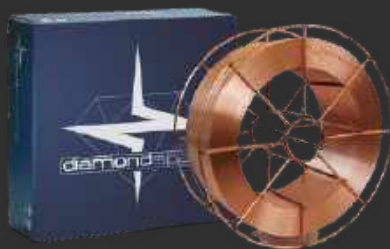

DIAMOND SPARK 52MIG WIRE

PN:BOH-DS52RC

POA

Diamond spark 52 is a smooth running flux cored seamless wire classified a 71T1M-T H4 wire

KEMPER FILTER MASTER XL

PN: 62100100

\$11,500 INC GST

The smart master XL is a functional extraction unit with timed automatic filter cleaning system for high levels of smoke & dust.

SIDERGAS ALUMINIUM 5356MIG WIRE

PN:SID-5356-MIG-1.2

POA

Sider gas aluminum wires are a high quality general purpose wire from Europe which delivers a premium result.

STARTER KIT OXY-LPG

PN:GWKOLT **\$460** INC GST

These kits have been designed to include the equipment needed for the majority of welding, brazing, heating & cutting. Meets the requirements & other reference standards of AS4839

ONE PIECE CUTTING TORCH

PN:GWKOAT **FROM \$235** INC GST

Suitable for both Type 41 (oxy/acet) & Type 44 (oxy/LpG) cutting & gouging nozzles. Cutting of material up to 300 mm thickness. 90° & 180° head configurations available. Available in three standard lengths 600mm, 1m & 2m

TWIN HOSE SETS **FROM \$45** INC GST

Welding & cutting require 5 mm ID hose. Heating & gouging, 10 mm ID must be used to ensure the correct flowrate is achieved. Manufactured to AS/NS 1335/2020 & factory fitted crimped hose connections. Oxy-Acet & Oxy-LPG from 5, 10, 15 & 20 m

FLASHBACKS

IbEDA flashbacks made in Germany and certified to meet the requirements of AS4839.

Unlike other flashbacks IbEDA can be retested providing a significant savings over the its lifespan.

WELDARC 135

MC110-0

\$289 INC GST

Don't let the size fool you, whilst simple in design at only 4kgs with built-in Arc Force it's a well priced welder offering reliability and performance.

WELDARC 145

MC106-0

\$499 INC GST

Offering all the features of the 135 plus TIG and Lift, Fan on demand, VRD (Voltage Reduction Device) and IP23S rated

WELDARC 185

MC112-0

\$595 INC GST

The 185, is the perfect Stick/TIG welder for any intermediate welder. Coming in at 8kg this unit is lightweight yet robust and can easily be transported from the workshop to on-site.

WELDARC 200DC

MC113-0

\$1,350 INC GST

Quality results from the 200 DC Stick/TIG welder for intermediate to professionals. HF start and Pulse TIG capabilities provide easy non-contact arc starting and allows greater heat control of the weld pool.

WELDARC 200AC/DC

MC114-0

\$2,150 INC GST

Looking for high precision aluminum welding, the 200 AC/DC features an up-to-date and easy to use digital LCS interface for quick setup through pre-set parameters and memory selection

WELDMATIC FABRICATOR PACKAGE

CP149-1

\$6,270 INC GST

The most powerful MIG welding machine for medium and heavy industrial fabrication applications. A three phase welder, packaged with a separate wire feeder providing extra flexibility for a workshop set up and enables custom set up to suit the job including arc start, wire speed, burn back, spot time, creep wire model pre and post gas plus more

WELDMATIC 500 PACKAGE

CP145-1

\$5,225 INC GST

Bonus WIA OpticFX Blue Knight Welding Helmet

The Weldmatic 500 is a powerful and robust multi-process machine built to perform for professional fabrication applications. Capable of MIG, TIG, and Stick welding, it offers optimal weld characteristics that provide high quality results.

WELDMATIC 250

CP143-1

\$1,940 INC GST

A portable package but big on power, the 250 is capable of MIG, TIG and Stick welding and features an up-to-date and easy to use digital LCD interface for quick setup through pre-set parameters and memory selections. It takes 5kg and 15kg spools making it perfect for larger welding jobs

WELDMATIC 180 PACKAGE

CP141-1

\$880 INC GST

Bonus 5KG Austfil T-11 0.8mm Self Shielded Mig Wire

The Weldmatic 180 is a perfect solution for trade welding or welding hobbyists after one welder that can MIG, Stick and TIG weld with ease. For workshop jobs to outdoor repairs, the Weldmatic 180 is lightweight making it easy to pick up and transport.

WORKWEAR**

**TRU
WORKWEAR**

Looking to outfit your team in stylish and functional workwear? Need that extra touch of personalization with custom embroidery? Look no further! We've got you covered with top-notch workwear and in-house embroidery services tailored to your needs.

WHAT WE OFFER:

Premium Workwear:

From durable uniforms to stylish corporate attire, we offer a wide range of high-quality workwear options suitable for various industries and professions. Our collection combines comfort, functionality, and professional style to ensure your team looks and feels their best on the job.

Custom Embroidery:

Make your workwear truly stand out with our custom embroidery services! Add your company logo, employee names, or any design of your choice to create personalized apparel that reflects your brand identity. Our skilled embroiderers pay attention to every detail, ensuring impeccable results that exceed your expectations.

WHY CHOOSE US:

-  **Quality Assurance:** We are committed to delivering workwear and embroidery of the highest quality. Our products are made from premium materials and undergo rigorous quality control to ensure durability and long-lasting performance.
-  **Customization Options:** With our extensive customization options, you have the freedom to create unique designs that perfectly match your vision. Whether you're looking for subtle branding or eye-catching graphics, we'll bring your ideas to life with precision and care.
-  **Fast Turnaround:** We understand the importance of timely delivery, which is why we strive to provide quick turnaround times without compromising on quality. Count on us to meet your deadlines and keep your team looking professional and polished.

GET STARTED TODAY!

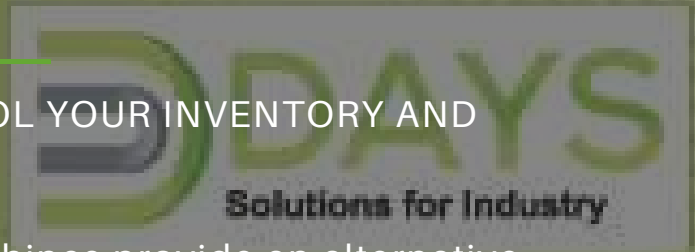

Ready to elevate your team's appearance with our top-of-the-line workwear and embroidery services? Contact us now to discuss your requirements and request a quote. Our friendly team is here to assist you every step of the way, ensuring a seamless and satisfying experience. Don't settle for ordinary workwear—choose excellence with our premium products and personalized embroidery. Elevate your brand, empower your team, and make a lasting impression with our unmatched services!

TRANSFORMING WORKWEAR, ONE STITCH AT A TIME

VENDING MACHINES

LOOKING TO SAVE MONEY, CONTROL YOUR INVENTORY AND INCREASE YOUR PRODUCTIVITY?

Our PPE & consumable vending machines provide an alternative option for stock control and supply.

How does it work?

- Each employee is given an allocated number of products which is assessed and controlled through their employee access cards.
- Once the allocated number of items has been exhausted, the employee is then held accountable.
- This allows the business to better control stock levels, reduce costs and instill more accountability to their staff.

PPE & Consumable Vending cost reductions & economic benefits include:

- ✓ Use of existing access / swipe cards
- ✓ Ability to set controlled spend limits / access
- ✓ Improved productivity
- ✓ Reduction in consumption
- ✓ Saves time
- ✓ Multi-vend up to 5 items per transaction
- ✓ Higher levels of accountability
- ✓ Reduction in inventory levels
- ✓ Reduced procurement costs
- ✓ Private employee information not required
- ✓ 24/7 access to real time data and reporting
- ✓ Accurate inventory visibility
- ✓ Ability to reconcile against current stock levels
